

※ Hybrid (In-Person and Virtual) Conference

2022 International Symposium on Advanced Electromagnetic Engineering and Science

February 9 (Wed.) 2022

Phoenix Park, PyeongChang,
Republic of Korea

Important Dates

Paper Submission Deadline : **January 10 (Mon) 2022**

Paper Acceptance Notification : **January 13 (Thu) 2022**

Early Bird Registration : **January 13 (Thu)~ January 21 (Fri) 2022**

Topics of Interest

(1) EMI/EMC/EMP	(2) EM Theory & Computational EM	(3) Microwave/mmWave Passive Circuits
(4) Microwave/mmWave Active Circuits	(5) EM Components and Materials	(6) Radio Wave Propagation & Scattering
(7) Antenna Theory & Design	(8) THz/Optical Systems & Components	(9) IoT & Sensor Network
(10) Radar & Remote Sensing	(11) CR/SDR	(12) EM Bio-effects & EMF
(13) Biomedical Applications	(14) Satellite and Cosmic Radio Waves	(15) Wireless Communication Systems
(16) Radio & Broadcasting Policies/Standards	(17) EM Measurement	(18) Wireless Power Transfer & Energy Harvesting
(19) Electronic Warfare & EM Security	(20) Broadcasting Technologies/Applications	(21) Technologies for 5G & Beyond, AI & Deep Learning for EM Applications

* Papers from other electromagnetic-related fields are also acceptable.

* Presentation Time

- Oral presentations : 30 minutes (Invited Papers), 15 minutes (Regular Papers)

- Poster presentations : 80 minutes

Submission Details

- The papers should be written in English. The length is restricted to one page (A4).
- **Submission Method** : You can submit your paper at the ISAEES 2022 website (<https://www.isaees.org>). Go to the submission page of the website under Call for Papers section. The submission guideline can be also found in the page.
- **Writing Form (Template)** : You can download the paper template at the ISAEES 2022 website. Go to the submission page of the website under Call for Papers section.
- **Presentation Form** : Either oral or poster presentation can be chosen during the online submission. The presenter's choice will be considered as a top priority, however, please note that the presentation type might be changed by TPC due to the limited session time and space. The corresponding author will be notified with the presentation type with the final acceptance letter.
- **Special issue of the JEES** : Papers recommended by the session chairs can be published in a special issue of the JEES (SCIE) after the regular peer-review process. A further extension of the article is requested.
